PROSPECTUS

INTRODUCTION

Alankar Mahila P.G. Mahavidyalaya, Jaipur was established in year 2006 as per the wishes of Late. Shri Rampratap Kataria, who wished to uplift the women of the society through education. His cherished vision took shape as “Alankar Mahila P.G. Mahavidyalaya” and many well wishers from the field of education lent their shoulders for this noble cause. We believe that education is much more than just providing a degree. It provides ample opportunities for students to exhibit their skills and thinking abilities which inturn will enable them to pursue career, make informed decisions, and contribute positively to the society. Alankar Mahila P.G. Mahavidyalaya embrace its responsibility to address the issue of gender inequality in all its complexities, and help students to become capable of overcoming challenges gracefully.

By setting meticulous academic standards and providing students required assistance to meet those standards, this college enables them to discover their inert capabilities.

By learning in this robust and prosperous environment, the students of Alankar Mahila P.G. Mahavidyalaya, evolve as resilient, creative, agile, and responsible adults, who are ready to lead and serve the society.

We equip students for an uncertain future not only by training for a particular carrier but also by preparing them to strive and meet the challenges of the 21st Century.

Our Inspiration

**COMMITTED
TO THE CAUSE OF
WOMEN EDUCATION**

"Excellence through Diligence"

The motto of the college reflects the principle that the Late Shri Rampratap Kataria believed in. We create an atmosphere in which students can work diligently. In such an atmosphere "Excellence" blossoms.

The Chairman's Welcome Note

Greetings to all,

You are welcome to our college. You will be staying for three to five years with us. During your stay in our college, our utmost effort shall be to groom you to play vital role in instilling confidence and self-respect in you which will help to secure a dignified place in your personal and professional life. In these years you will be provided with the best higher education to make you eligible for the competing world and actualize yourself. It is only through education, that an Indian woman will be able to increase the cultural, the ideals and value aided activities for the society and the country. We shall help women which constitute half of the society and also in enhancing the quality of your personal as well as professional life.

Our first Prime Minister of Independent India Pt. Jawahar Lal Nehru said "Educate a man and you educate one person, educate a woman and you educate the whole family."

Our concern is to enable you to have an integrated personality that would assist you to decisively pursue a career of your choice. We have also added some job oriented additional courses to enhance your vocational skills. Keeping pace with globalization and resurgence of an open economy self-employment has become need of the hour. We therefore try to equip you with information and training in entrepreneurship and skill in communication through our various clubs and curricular activities so that you can achieve the best in your life.

With best wishes for your delighted future.

प्रिय छात्रा,

आपका महाविद्यालय में स्वागत है। आप अपने विद्यार्थी जीवन के तीन से पाँच वर्ष इस महाविद्यालय में व्यतीत करेंगीं। आपकी इस प्रवास अवधि में हमारा प्रयास होगा कि हम आपको समाज में आत्मसम्मान एवं समाज निर्माण में महत्वपूर्ण स्थान प्राप्त करने की योग्यता प्रदान कर सकें। इन वर्षों में आपको प्रदान की गई उच्च शिक्षा देश की धरोहर के रूप में स्थापित हो तथा आपकी पहचान बन सके। उच्च शिक्षा प्रदान करना देश की धरोहर बढ़ाने के बराबर है, जिसका अधिकांश हिस्सा समय पर अवसर नहीं मिलने के कारण व्यर्थ हो जाता है। जिसे हम आपके लिए प्राप्त करवाने का प्रयास करेंगे। भारतीय नारी शिक्षित होकर ही समाज को सुसंस्कृत और आदर्श समाज बना सकती है तथा देश की प्रगति में सहायक बन सकती है। नारी शिक्षा से आप न केवल समाज के आधे भाग को मानव संसाधन के रूप में विकसित कर पायेंगी बल्कि अपनी घरेलू तथा बाहरी जीवन के स्तर को भी सुधार पायेंगी। आजाद भारत के प्रथम प्रधानमंत्री पं. जवाहर लाल नेहरू ने एक अवसर पर कहा था "कि एक पुरुष के शिक्षा लेने पर एक पुरुष शिक्षित होता है जबकि एक नारी शिक्षित होने पर पूरा परिवार शिक्षित होता है।"

हमारा मुख्य उद्देश्य आपके व्यक्तित्व के समग्र विकास एवं अध्ययन के पश्चात् आपके इच्छित क्षेत्र में रोजगार प्राप्त करने में सहयोगी बनना होगा। इसी दृष्टि से हमने आपके लिए कई रोजगारोन्मुखी अतिरिक्त विषय भी अध्यापन हेतु तैयार किये हैं जिससे आपके व्यक्तित्व में निखार आ सके। आज वैश्वीकरण तथा खुली अर्थव्यवस्था के दौर में स्वरोजगार समय की आवश्यकता बन गया है इसलिए हम आपको विभिन्न विषयों पर प्रशिक्षण तथा अपनी योग्यता को प्रभावशाली शैली में परिवर्तन करने के लिए प्रयासरत हैं, ताकि आप जीवन में श्रेष्ठता प्राप्त कर सकें।

उज्ज्वल भविष्य की शुभकामनाओं सहित।

Director's Message

Dear Students,

Situated on the outskirts of Jaipur city and far from the madding crowd, Alankar Mahila P.G. Mahavidyalaya caters to the academic aspirations of girls enrolled here. It is not simply the academics we are concerned about, rather we strive to create harmonious environment for the students.

Our guiding motto is what Ruskin believed "Education does not mean teaching people to know what they don't know; it means teaching people to behave as they don't behave." We have young, energetic, qualified, and dedicated faculty. Alankar Mahila P.G. Mahavidyalaya runs under the banner of Alankar Society for Higher Education, which is chaired by Shri Lal Chand Kataria, a visionary whose head always teems with bright and new ideas and who has done a yeoman service to this urban and adjoining rural belt of Jaipur district by establishing four institutions exclusively for women in couple of years.

Alankar Mahila P.G. Mahavidyalaya was founded in 2006, Alankar Mahila B.Ed. College and Alankar Mahila Teacher Training School (STC) were founded in 2007-08, Alankar Mahila I.T.I. was established in 2009-10 and Alankar Girls' Law College in 2014-15. This astounding rapid growth has won admiration from all quarters. Infrastructural and instructional development both have been vertical (in the intellectual field) and horizontal in the shape of a big college building having spacious, Well-ventilated classrooms with equipped laboratories, fully stocked library, playground and equipped girls' hostel with a modern dining hall and kitchen. The establishment of Alankar Mahila P.G. Mahavidyalaya is indeed a landmark in the field of girl education.

However, we always remember the words of Robert Frost.

"The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep."

Director
Shri Anand Swaroop

GAMES & SPORTS

Games and sports activities are also an integral part of the college curriculum to ensure the fullest and manifold development of the students enabling them to attain good physical health, emotional and psychological stability and social adjustability. The college has playgrounds for Volleyball, Kho-Kho, Badminton, Football, Cricket, Karate, etc. Students actively participate in organizing games and sports events to develop organizational skills and leadership qualities. Annual sports and athletic meets are also conducted by the Institution.

The Campus & Environment

The campus combines the beauty of the rural landscape & architectural master piece of Jaipur with all modern urban facilities. The silent, peaceful & tranquil atmosphere and totally pollution-free eco-friendly environment make it an ideal place for learning. The management aims to make it one of the leading institutes of the capital city which is amply substantiated by the infrastructural and instructional facilities developed within two years itself.

The college strives hard to develop a true sense of liberal tolerance in its students towards all the religious, social and ethnic beliefs and background of every individual without any distinction of caste, colour and creed. We endeavour to develop a passion for excellence and determination to meet challenges 'head-on' through broad skills with due emphasis on ethical and moral values.

Co-Curricular Activities

Various clubs have been formed to help and enhance the personality of the student. Activities of these clubs will take place throughout the year.

N.S.S.

We have two units of N.S.S. to develop a sense of social responsibility and commitment to the students towards society. This scheme provides an opportunity to use academic skills in response to social challenges.

Entrepreneurship Club

The club provides motivation and guidance to students to become self-reliant and confident to start their enterprise or business. Under this programme, students are taught tailoring, food preservation, candle making and beauty tips under the guidance of Department of Home Science and Department of GPED.

Communication Lab

To be able to speak and write lucidly and effectively, which is a fast-growing need of the time, training in communication skills will prepare you to face interviews, presentations and write reports in proper language. All the students must attend the communication lab classes.

Laboratories

We have developed a highly advanced computer lab with the latest computers connected to a LAN (Local Area Network). State-of-the-art laboratories for Physics, Zoology, Chemistry, Botany, Geography, Home Science, Psychology and Drawing & Painting which are fully equipped with the latest & modern equipment prescribed as per the syllabus of the university.
